Notification No. A5. C. 2522—39-40, dated 1st November 1940.

APPEAL.

1. It is proposed, as an emergency measure for the duration of the War, to constitute "Civic Guards" for the Kolar District and the Kolar Gold Fields area. Recruitment will be on a voluntary basis and the nature of duties that may be entrusted to the "Civic Guards" is indicated below :

The Civic Guards are expected to render service in connection with the maintenance of public order, anti-sabotage measures and several other aspects of internal defence. They are to assist the regular Police forces in the District in emergencies and in case of local disorder or panic. They may be posted for duty at fairs and festivals, for patrolling the town by day or by night, for collecting information about "Fifth Column" activities and pro-enemy propaganda. In case of need, they will be posted for duty in connection with Air Raid Precautions and for assisting in local efforts regarding War Publicity and Propaganda organised by the District War Committee. They will not ordinarily be called out for duty beyond the local limits of their respective towns or the district.

2. Recruitment of volunteers as "Civic Guards" will be subject to selection by the Special Sub-Committee constituted for the purpose. Thirty-six Civic Guards are required for the Kolar District area and 100 for the Kolar Gold Fields area.

3. On selection, each volunteer has to provide himself with a pair of uniforms of an approved pattern (the cost of each pair being approximately Rs. 12), and be prepared to undergo the requisite training for two hours a day on two or three days in the week for the first month, and thereafter for one hour per week. No allowance will be paid during the period of training. The question of giving some duty allowance when the "Civic Guards" are called out for duty after the period of training will be considered as and when necessity arises.
